Live Orchestra!

Encore and the Pierce College Theatre Department are working together again for the 4th *Encore* fundraiser. Join us for a special Saturday performance. Bring family and friends to support *Encore* and see a hit musical!

A classic love story is brought up-to-date in one of the most stunning theatrical spectacles of all time. Alain Boublil and Claude-Michael Schönberg (creators of *Les Misérables*), along with Richard Maltby, Jr., bring Puccini's *Madame Butterfly* to the modern world in a moving testament to the human spirit and indictment of the tragedies of war. In the turmoil of the Vietnam War, an American soldier and a Vietnamese girl fall in love, only to be separated during the fall of Saigon. Their struggles to find each other over the ensuing years ends in tragedy for her and a fighting chance for the child he never knew he had.

Since its London premiere in 1989, *Miss Saigon* has become the third most successful musical in the history of British theatre. It has been performed in 18 countries, in nine different languages, has won 30 awards and been seen by over 31 million people worldwide.

Parental guidance recommended. *Miss Saigon* contains scenes which may be unsuitable for children under 13.
